Easy to carry

Easy to use

Number of people 4-5

Grill racks

In- and Outdoor use

Instant cooking

Ready to use in 4-5 minutes. A quick way of barbecuing with the family. The grill uses only 8 briquettes for over an hour of grilling.

In- & Outdoor use

The table grill has a low smoke emission, so indoor use is besides outdoor use possible.

Healthy way of grilling

Since there is no direct contact between the flames and your food, the table grill is healthier than using a normal charcoal barbecue. Fat from cooking will drain away and will not get into contact with the charcoal.

Easy to clean

The components fit in the dish washer. Cleaning will be very easy.

Easy to carry

The table grill is compact and easy to carry. For that the grill will be delivered with a carrying bag.

Safety

Because of the use of 4 batteries you can grill everywhere you want. The exterior is even cool during firing-up and use.

Number of people

This family grill has a grill surface of Ø29 cm and is appropriate for 4-5 persons

Set includes:

- BBQ
- Tong for grill plate/rack
- Chrome grill rack and cover
- Non stick aluminum griddle
- Carrying bag
